

Counselor In Training (CIT) Program

Boys and Girls Ages 13-15

Overview:

This summer, Insports is implementing our **BRAND NEW** Counselor In Training (CIT) program. The purpose of this exciting program is to prepare kids who have a vested interest in becoming future Insports Summer Camp Counselors! Candidates must have a love and passion of working with youth and act in a leadership role to set a positive example among the campers. CIT's will assist in several impactful ways during the camp day. CIT's will be demonstrating hands-on experience working in camp groups assisting the lead counselors and gain and grow their skill sets working directly with youth. CIT's will also be assisting in daily operations such as camp set ups and clean ups, camper attendance, and lunch/snack operations. This is a unique opportunity to set a strong example to our youth and to grow and realize their potentials as upcoming counselors!
