INSPORTS CENTERS

SUMMER CAMP

2026 BROCHURE

www.insportscenters.com 203-268-1214 info@insportscenters.com

Dear Families,

Welcome Back! Summer will be here before you know it and we at Insports are excited for our upcoming camp season! Last year was our best and most memorable camp season yet, and we look forward to building even more memories this year.

This summer is sure to be one to remember filled with adventure, friendship, and fun. Insports is proud to offer the best of both worlds with our updated outdoor play area equipped with giant inflatable water slides, bounce houses, picnic area, gaga pit, and more!

Rain or shine, Insports is proud to offer a safe and fun environment for your child to explore the opportunities of camp.

The goal at Insports is to provide each and every child a summer camp experience full of lasting memories, new friendships, and opportunities for growth. No matter what your child enjoys, whether it is games or sports, Insports has the right program for them. With the assistance of our well-trained staff, your child will spend their summer days developing skills and boosting their self-esteem through a variety of safe, structured activities.

We are proud to offer a multitude of summer camp choices. We have a traditional camp which will feature art, science, and a variety of activities through a non-competitive approach. If sports are all you think about, then our ultimate sports camp will be the perfect place to hone your skills. Sport specific camps will allow your son or daughter to develop important skills, so they are one step ahead of the competition.

We want you to be as confident as we are in sending your children here. We encourage you to come visit us! Our staff is available to help you with any questions you may have, and would love to give you a tour of our great facility.

The informational brochure can help guide you in understanding the different camp programs and provide you with general information. If you have any additional questions, please reach out to us at 203-268-1214.

So get ready - 2026 plans to be the best summer yet!

Thank you,

*Zach Davidson
General Manager*
